What is the purpose of Surrey CodeCamp

Build a sharing tech community in Surrey.

We are (Going to be) a (big) Community

We are (Going to be) a (big) Community

The screenshot shows the GitHub interface for the 'Surrey-Code-Camp / Sponsorship' repository. At the top, there's a navigation bar with the GitHub logo, a search bar labeled 'This repository', and links for 'Pull requests', 'Issues', and 'Gist'. On the right, there's a user profile icon and a '+' button. Below the navigation bar, the repository name 'Surrey-Code-Camp / Sponsorship' is displayed. To the right of the name are buttons for 'Unwatch' (with a dropdown arrow), 'Star' (with a count of 1), and 'Fork' (with a count of 0). Below this, there's a row of tabs: 'Code' (selected), 'Issues' (with a count of 0), 'Pull requests' (with a count of 0), 'Projects' (with a count of 0), 'Wiki', 'Pulse', 'Graphs', and 'Settings'. Below the tabs, the file 'Sponsorship / README.md' is shown, with a button to 'or cancel' (with a trash icon). At the bottom, there's a section for editing the file. It has tabs for '<> Edit file' and 'Preview changes'. To the right of these tabs are three dropdown menus: 'Spaces' (set to 2), 'Soft wrap' (set to 'Soft wrap'), and a third dropdown. The file content is displayed in a code editor with line numbers 1, 2, and 3. The content is: 1 # Sponsorship, 2 Surrey Code Camp Sponsors guide, 3 |.
